ANNOUNCE PLANS FOR MORE YUGOSLAV FACTORIESNEW FACTORIES TO BE BUILT IN MACEDONIA -- Ljubljana, Slovenski Porocevalec,
27 Jan 51

This year's capital investments for Macedonia will amount to 3,139,000,000 dinars, 70 percent of which will be used for building industrial enterprises. The following factories are scheduled to be built this year: a cement factory, a glass factory, a leather factory which will process sheep and goat skins, an ethereal-oil factory, and a mica-processing factory. A chromium-alloy factory is also scheduled to be built.

A porcelain factory, a woolen mill, a prefabricated-house factory, a cotton spinning mill, and hydroelectric power plants at Pesocani, Dosnica, and Sapuncica will be completed this year. Work on the hydroelectric power plant at Mavrovo will continue.

TO BUILD IRONWORKS IN NIKSIC -- Ljubljana, Slovenski Porocevalec, 16 Jan 51

A large ironworks and a refractory-materials factory will be built this year in Niksic. About 300 workers of the future ironworks have been sent to various ironworks throughout Yugoslavia to become skilled in their field.

SINJ MILL TO BEGIN OPERATION THIS YEAR -- Ljubljana, Slovenski Porocevalec,
18 Jan 51

One part of the "Dalmatinka I" Spinning and Thread Mill in Sinj is scheduled to be completed by 1 April 1951 and is expected to be put into operation this year. The second part of the spinning mill and the thread mill are still under construction. The entire mill, which will produce 900 tons of thread per year in addition to yarn, will be completed in 1952.

TITOGRAD TO GET LEATHER FACTORY -- Ljubljana, Slovenski Porocevalec,
27 Jan 51

A leather factory will be built soon in Titograd. The factory, which will process sheep and goat skins, is scheduled to be put in operation this year. The machinery for the factory, which will process about 250 tons of skins per year, has already been built.
